

"This is the first time I hear Mappe3. And immediately, I feel at home; it's a happy musical space they create, blown by winds from the golden age of jazz (...). It feels authoritative, full-bodied, full of joy in the playing."

- Thomas Millroth - JAZZ/Orkesterjournalen NR 6 - 2022.

THE MOST LIVELY RECORDS OF THE YEAR - The albums that made the Lira year 2022:

"A record that just appears out of nowhere and pours out, highly idiosyncratic and fearless, like the most obvious thing in the world." - Patrik Andersson - 2022

Mappe3 is Martin Jäderberg, Maria Dahlin and Nils Kristensson. Their journey started when they released their critically acclaimed debut album "Mappe3 + jazz = <3" in the fall of 2022. Channeling the past and present through their music Mappe3 seek to create an unforgettable evening and concert together with the audience.
